

2/16/2017

Dear ecoSolv Technologies, LLC.,

Thank you for completing and submitting the SEI Participant Agreement and the SEI Sample Selection Form for Label ID # 1709 in compliance with the USDA audit. We have confirmed that the forms have been properly completed and that the testing has been completed by one of the approved labs. Your products continue to meet the requirements of USDA's BioPreferred Program. Your company remains in good standing in the Program, and your products will continue to be certified and to be featured in the online catalog. If the biobased content of any of your products in the Program changes, or you no longer manufacture a product, please promptly notify the BioPreferred Program Technical Support at biopreferred_support@amecfw.com.

Thank you again for your cooperation.

A handwritten signature in black ink, appearing to read 'Kate Lewis', is written in a cursive style.
